Please feel free to ask if you have any questions about our uniform policy, as it is a very important part of our school climate and culture for our student body.

PLEASE NOTE:

* Gym uniform apparel is standard children’s clothing that can be purchased from any store. We do require that the sweat pants (the *only* pants allowed) be solid navy blue in color, the required t-shirts (worn when the weather is “warm”) be plain white, and that the required sweatshirts (for “cool” or cold weather) be solid navy blue in color also.

** Our tailored, hand-made Kente vests and bow ties can be purchased from the Lotus Academy office.

*** All Lotus Academy students are *required* to wear navy, black, or dark brown leather shoes daily. No athletic shoes of any type should be worn on any day except “gym day” which is Friday at Lotus Academy. The wearing of any type of boot is not permissible except that students can wear boots in inclement weather, but they must be boots that can be removed so that “regular” shoes can be worn.
